INDUSTRIAL DUMP TRAILER

The Industrial Dump Trailer is the ultimate, commercial grade hydraulic dump. Nearly 50-degrees of vertical dumping is offered with this unit. Therefore, this trailer allows you to unload with ease. In addition, the powerful scissor hoist is great for maximum lifting and lowering of heavy, uneven loads. The H&H dump features self-contained ramps and an 83" wide bed. So, hauling small tractors and skid loaders is easy in the Industrial Dump. Rest assured, material you are carrying will remain safely in the bed with the integrated tarp shroud and installed tarp.
